

NCPV Hotline – Monthly Index for April 2007

The National Center for Photovoltaics (NCPV), the National Renewable Energy Laboratory's (NREL's) center for PV research maintains an international communications system called the NCPV Hotline. The Hotline increases knowledge and awareness of PV industry and research happenings. This PDF contains an index of NCPV Hotline news items published in April 2007, arranged by subject.

Current and archived NCPV Hotline issues <link to http://www.nrel.gov/pv/news_hotline.html>
